Chapter 1 by Speenser

To be honest, I don't love my wife. She's a model and I look good with her.

I say a lot of stupid things but the great thing is that Americans are dumb enough to think that i'm legitimate.

If I become president than the US will become Trumpsylvania.

I'm a semi-successful business man and hosted a show, I'm totally fit for president of the US!

Chances are that if I do get elected 99.99% of the US will move to Canada so I'll probably put a wall between Canada as well.
